# KinderMourn

**WHEN A CHILD DIES.  
WHEN A CHILD GRIEVES.  
THERE IS HELP.  
THERE IS HOPE.**

Since 1978, KinderMourn has been a light in the darkest of times. Our mission remains strong and serves one purpose, to support those who have suffered unthinkable loss.

## *Our Mission*

KinderMourn provides hope for bereaved parents, grieving children and teens by offering support and counseling programs, creating awareness of bereavement issues and empowering the community to effectively assist those who have suffered an unthinkable loss.

## *KinderMourn Programs*

At KinderMourn, bereaved parents, children, and teens can participate in individual, group, and other counseling programs (pregnancy loss, school-based support, and more) where they find encouragement, understanding, and strength to navigate the maze of grief and bereavement.

## *Community Outreach*

KinderMourn recognizes that many of our community's most vulnerable are unable to attend support groups at the KinderMourn Home. Due to this reality and the growing number of children impacted by grief and loss, we established Helping The Hurt, an outreach program in area schools providing support and hope to children and teens.
